The Dorset School

Indoor Sports Rules 2021-2022

Masks : Masks are **<u>required</u>** by all students, coaches, referees, and spectators during all indoor practices and games, regardless of individual vaccination status.

Spectators

- Spectators will be allowed this season at Dorset. **There is a limit of 2 spectators per athlete based on the capacity of the gym.** If protocols are not followed, spectators may be asked to leave.
- Masks **<u>must</u>** remain on at all times.
- When coming to Dorset for a basketball game, all teams and spectators should use the main entrance that leads to the school lobby. Please do not arrive more than 5-10 minutes before the start of your child's game. At the conclusion of your child's game, please exit the outer gym doors so that there is space for spectators of the second game.
- **Once in the lobby, visiting spectators should enter the double doors immediately to your left and sit on the bleachers to the left of the curtain (as you face the curtain). Home spectators should enter the second set of doors on the left (once you pass through the door of the glass wall of the lobby) and sit on the right hand side bleachers (to the right of the curtain).**
- Please be respectful and leave space between your family and others. There will be blue tape marking spaces for spectators. We ask that you leave space between spectator groups.
- A bathroom is available for spectators. The bathrooms are through the main gym entry doors (near half-court), down the hall to the left once you are near the stairwell (no spectators should go up the stairs).

Food

Spectators will not be allowed to have food or drinks in the building. Each athlete and coach will be responsible to bring their own water bottle to games/practices. They will be able to refill them at the water fountain in the gym or near the bathrooms.

Bathrooms for Athletes (No Locker Rooms)

We do not have locker rooms at Dorset. Athletes with the first game are asked to change prior to arriving at the school. Athletes who are in the second game may use the downstairs bathrooms to change. Masks are to be worn at all times. Please limit how many athletes are in the bathroom at one time.
