

# TRAILBLAZERS (AGE 10-14)

Each week is priced separately  
8:30 – 3:30/5PM

*Healthy snacks included.*

## Week 1

### FORENSIC SCIENCE

Learn about DNA! Campers will study fingerprinting and an introduction to the world of forensic science, involving the use of biology, chemistry, math, physics and their use within the criminal justice system.

\$275.00

## Week 2

### ARCHERY & FISHING CAMP

Get hooked on fishing. Learn to fish on the banks of our local lakes and rivers. Grab your pole and we will cover fishing from the basics of tying your knots to identifying your fish and how to clean them. The other half of the day, campers will learn archery techniques, safe strategies, and basic shooting form. Respect, responsibility, cooperation, and communication through the sport of archery will be promoted.

\$300.00

## Week 3

### ARTISTIC CHEF

Explore the gourmand within using Vermont made products. Visit local farms and cook with their products. Guest Chefs help teach us why local is best!

\$325.00

## Week 4

### RIDE & SWIM

In the morning campers will go find fun swimming spots to splash in. After lunch, campers will spend an hour and a half riding every day at Mountain View Ranch ([www.mountainviewranch.biz](http://www.mountainviewranch.biz)). They will groom, saddle and ride on the trail or in their lesson daily. A s'mores trail ride caps off their week.

\$375.00

## OR Week 4

### SCIENCE & NATURE

Be the scientist of the environment. Study our world through nature in the morning and once the afternoon hits, hike the trails or tube the river. What better way to spend the summer.

\$300.00

## Week 5

### CALLING THE ARTIST WITHIN

Photography, Batiking, Ceramics with Raku firing... campers pick their medium of choice. Create with true artists. At the end of the week, an art show will set the stage for all to see.

\$300.00

## Week 6

### THRILL-A-RAMA

A week filled with exciting adventures. Adventures made by man, or nature. Ride a crazy roller coaster or a local river. Drive Go-Carts or bike down a mountain. So much to chose from, so little time.

\$375.00

## Week 7

### ADVENTURE WEEK

Not ready to leave home for a week? We can have many adventures from here! A ropes course into a hike. A hike into a waterfall. Campers will canoe down the Battenkill. A mid-week overnight at Hapgood Pond where campers will wet their feet with some tubing and use their new found canoeing skills. We will bring in a little winter by playing Broomball at the skating rink; and what better way to finish a fun packed week, then by rock climbing or riding a horse down a Vermont trail.

\$325.00

## Week 8

### TECHNOLOGY CAMP

Campers will work in teams and as individuals as they explore science through technology. Campers will cover topics such as robotics, computer-aided drafting, and electronics. Come see how the world of tomorrow will run.

\$300.00

FUN AND LEARNING AT ITS BEST!
