Long Trail School Welcomes New Board Member

Dorset, VT— The Long Trail School Trustees enthusiastically welcome Bob Rosenfeld, of Pawlet, to the Board.

While Rosenfeld has been an attorney for most of his career, his dedication to community service is currently his main area of interest. In addition to being on the Board of Long Trail School, he is also a member of the United Counseling Services Board and the Executive Counsel for the AARP of Vermont. A versatile man, he also enjoys opera, travel, woodworking and biking.

Rosenfeld, originally from Michigan, resided in Dorset for many years and watched LTS grow.

“I have a broad interest in the quality of education for children and have been very impressed by the school’s reputation: small classes, individual attention and a rigorous core curriculum. When the opportunity arose for me to join the Board, I was very excited,” says Rosenfeld.

Rosenfeld’s expertise lies in labor law and labor relations. He is a graduate of both the University of Michigan and Georgetown University. He served as an Industrial Engineering Officer in the United States Naval Reserve and practiced employment law in Michigan until 1991. He began a law practice in Vermont in 1992 and has taught a series of workshops at Bennington College titled "Introduction to the American Legal System;" an undergraduate employment law course at Southern Vermont College, and an annual Supreme Court seminar at the Green Mountain Academy.

Long Trail School combines rigorous academics and a personalized curriculum for grades 6-12. For more information, please contact at 802.867.5717.
