Empty Bowls Announces Receiving Charities and Upcoming Events

Dorset, VT—After much deliberation, the Empty Bowls at Long Trail School Committee is pleased to announce the receiving charities for the April 5th Empty Bowls Dinner: Bennington Coalition for the Homeless, the Emergency Need Fund of the Interfaith Council, Bennington County Meals on Wheels, the Community Food Cupboard and KIND of MEMS. These charities underwent an application process and were carefully reviewed. The general public is invited to view their displays at the dinner to learn about the ways these groups support immediate needs in our backyards.

With April 5th being right around the corner, Empty Bowls is offering a variety of bowl-making opportunities, all free and open to the public. Sunday, February 2nd, from 1 pm to 3 pm, Hildene will be hosting *Kids Go Bowling* in the Beckwith Room of their Visitor's Center. On February 5th, Hildene is hosting the *Business Bowl* at the Visitor's Center in the Beckwith Room from 5.30-7.30 pm. Businesses are encouraged to bring their employees and have some fun while making bowls for a worthy cause. Bring your colleagues and have some fun! Thursday, February 7th Long Trail School is hosting *Girls Go Bowling* from 5.30-7.30 pm. Childcare and appetizers will be provided! A great night out for women!
