Long Trail 8th grade raised over \$300 for Community Share Project

Dorset—In less than thirty minutes, Long Trail School's 8th grade class auctioned thirty-one donated desserts on Thursday, December 11 to raise funds for Dorset's Community Share Project. Desserts such as cookies, cakes and pies were provided by Long Trail faculty and 8th graders. Barb West's famous homemade cheesecake took the prize for the highest bid. The 8th graders sent their \$388 donation along with a handmade card last week.

Long Trail School is proud to support its students' efforts to participate meaningfully in the community. These efforts include opportunities for students to contribute their time, talents and funds raised to a variety of organizations and needs.
