Our goal is to help the Long Trail community follow the updated guidelines (see link below) from the State of Vermont. On **November 13 Gov. Scott banned multi-household gatherings, including gatherings made up of all Vermonters. All travel out of the state remains subject to quarantine.**

Upon returning to school after December 20, students must return the completed form below. Students who do not have this form may not come on campus or may not board the school bus.
